RESPONSE

Hon. Commissioner of Patents and Trademarks
Washington, D.C. 20231

Sir:

Responsive to the Office Action dated April 24, 2001, having
a due date of July 24, 2001, which has been extended by three
months by the contemporaneously filed Petition of Extension of
Time, now having a due date of October 24, 2001, Applicant hereby
submits the following Amendment.

REMARKS

Claims 1-18, 20 and 21 stand pending in the application.

Applicant appreciates the approval of the formal drawings.

The drawings stand objected under 37 C.F.R. 1.83(a) in that
the encoder element of Claim 11 is not shown. Applicant has
amended Claim 11. Applicant respectfully requests that this
drawing rejection be withdrawn.

The drawings further stand objected under 37 C.F.R.
1.84(h) (5) because Fig. 4 allegedly shows modified forms of
construction in the same view. Applicant respectfully submits
